

## T 7/1 Classic

Light and ergonomic: the T 7/1 Classic with standard fleece filter bag is an entry-level class vacuum cleaner, offering great value for money, powerful suction and cord storage.

### 1 Low weight

- Compared to competitor models up to 50 percent lower weight with identical container volume.

### 2 Main filter basket for optimal dust separation

- The permanent main filter ensures optimum dust separation, allowing operation without a filter bag.

### 3 Maximum suction power with simultaneously minimal energy use

- Optimised airflow ensures excellent suction power, thus making oversized turbines superfluous.
- Compared to competitor models almost 25 percent lower power consumption.

### 4 Cable hook

- The simple attachment of the power cable at the cable hook prevents tripping hazards during transport.

## T 7/1 Classic

- Extremely lightweight (< 3.5 kg)
- Strong suction power
- Low noise
